

Khwarizmi Science Society's National Workshops

(1997-2008)

The **Khwarizmi Science Society** has arranged several national level Workshops attended by a large number of participants from Universities and private and public, research organizations. These workshops also provide computing and hands'-on training facilities for the registered participants. Speakers and instructors are invited from within Pakistan as well as from abroad.

1. **Simulation of Electronic Circuits Using PSPice** Oct 1997, University of Engineering and Technology, Lahore
2. **Experimental Workshop on Scanning Electron Microscopy and X-Ray Diffraction** Nov 1997, The Punjab University
3. **Workshop on Automobile Mechatronics** May 1998, University of Engineering and Technology, Lahore
4. **Two-Day Workshop on Mathematica** May 1998, University of Engineering and Technology, Lahore

5. **Crafting Printed Circuit Boards** Oct 1998, University of Engineering and Technology, Lahore
 6. **Workshop on Mathematical Computation Using Matlab** Sep 1999, The Edge Systems Pvt. Ltd.
- 
7. **Introduction to Image Processing in Matlab** May 2001, University of Lahore
 8. **National Workshop on Computer Interfacing** Sep 2001, Centre for Solid State Physics, University of the Punjab
 8. **Workshop on Fuzzy Logic Control Using Matlab** Aug 2002, FAST-National University of Computer and Emerging Sciences, Lahore
 9. **Workshop on Nanomaterials** Dec 2003, Centre for Solid State Physics, University of the Punjab
 10. **National Workshop on Crystal Structure Determination Using Powder XRD** Aug 2007, Centre for Solid State Physics, University of the Punjab
