

Powering Pakistan through Maths and Science Education

This ceremony is the launch of the report "A Roadmap for Maths and Science Education", which is the third and last volume of a series of reports "Powering Pakistan for the 21st Century" which is prepared by the Pakistan Alliance for Maths and Science (PAMS) in collaboration with partners including the Khwarizmi Science Society.

The launch ceremony will take place on Friday 10th of March 2017, at 3 pm at 9-B2 (Basement), Syed Babar Ali School of Science and Engineering, Lahore University of Management Sciences (LUMS), Opposite Sector U, D.H.A. Lahore 54792. Registration is required for participation. Please register on <http://www.khwarizmi.org>.

The launch ceremony is hosted by the Physlab which is recipient of the National Innovation Award 2015 and specializes in building innovative educational equipment for science laboratories and conducting practical trainings on physics experimentation.

The break-up of the launch ceremony is given below.

Welcome note by the Khwarizmi Science Society: 3:00 to 3:10
Teaching of Practical Science by Physlab: 3:10 to 3:20
Introduction to Vol III of the Report by Alif Ailaan: 3:20 to 3:40
Tour of Science and Engineering Facilities at LUMS: 3:40 to 4:10
Panel Discussion: 4:10 to 5:00
Tea and Refreshments: 5:00 to 5:30

The panel discussion will provide a valuable opportunity for sharing your expertise and fomenting a dialogue on propelling Pakistan into the twenty-first century with world-class science education.

Dr. Muhammad Sabieh Anwar

General Secretary Khwarizmi Science Society and Associate Professor, Department of Physics, LUMS, Founder and Director of the Physlab (0322-4442272 and sabieh@khwarizmi.org)
